

Research positions

- Oct 2023–Oct 2025 **ASP Postdoctoral Fellow**, *Meso- and Microscale Meteorology Lab, National Center for Atmospheric Research, Boulder, Colorado.*
- Mar–Jul 2023 **Research assistant in Mesoscale Meteorology**, *Regional Climate Group, Department of Earth Sciences, University of Gothenburg, Sweden.*

Education

- 2018–2023 **Ph.D. in Natural Sciences, Advisor: Prof. Deliang Chen**, *Regional Climate group, Department of Earth Sciences, University of Gothenburg, Sweden,*
Project: Observing and Modeling Precipitation in the Tibetan Plateau region.
- 2017–2018 **M. Sc. in Atmospheric Sciences, Final grade: VG (Excellent)**, *Department of Earth Sciences, University of Gothenburg, Sweden,*
Project: Temporal and spatial variability of convection, clouds and precipitation over the Tibetan Plateau derived from recent satellite retrievals.
- 2013–2016 **B. Sc. in Earth Sciences with Major in Climatology, Final grade: VG (Excellent)**, *Department of Earth Sciences, University of Gothenburg, Sweden,*
Project: Major ion deposition in the accumulated winter snowpack in northern Sweden.

Research visits

- Oct 2021–May 2022 **National Center for Atmospheric Research, Boulder, Colorado, USA**,
ASP Graduate visitor program, Host: Dr. Andreas Franz Prein,
Project: Ensemble-based convection-permitting simulations in the Third Pole region.
- Sep–Dec 2017 **School of Atmospheric Sciences, Nanjing University, China**,
Research visit in Aerosol-cloud research group, Host: Prof. Minghuai Wang,
Project: Satellite observations of convective clouds over the Tibetan Plateau.
- Jun–Sep 2016 **Max Planck Institute for Meteorology, Hamburg, Germany**,
Internship in Hydrological group, Host: Dr. Tobias Stacke,
Project: Validation of a global dynamical wetland scheme in land-atmosphere coupled simulations.
- Jun–Aug 2014 **Helmholtz Centre for Ocean Research, Kiel, Germany**,
Internship in Paleoclimatology and Natural Resources, Host: Dr. rer. nat. Warner Brückmann.

Awards and Grants

- 2023 **Faculty of Science Doctoral Thesis Award**,
Gothenburg, Sweden.
- 2022 **SciPy Financial Aid Scholarship**,
Texas, USA.
- 2021 **NCAR Advanced Study Program for graduate visitors**,
Colorado, USA.
- 2019 **Travel fund to International Conference on Regional Climate-CORDEX 2019**,
China.
- 2018 **Research Fund Adlerbertska Stiftelse**,
Sweden.
- 2018 **Sven Lindqvists forskningsstiftelse**,
Sweden.

Outreach and Engagement

2018–2021 **Coordinator in GAC (Gothenburg Air and Climate Network) Board.**

2018–2021 **Executive Secretary of APECS (Association of Polar and Alpine Early Career Scientists).**

Contributions to research community

Reviewer for the following scientific journals,

JGR Atmosphere, Journal of Climate, Journal of Applied Meteorology and Climatology, International Journal of Climatology.

Presentations at conferences

2022 **Process-oriented evaluation of kilometer-scale simulations of mesoscale convective systems,**
Swedish Climate Symposium, Sweden.

2022 **The Role of Mesoscale convective systems in Precipitation in the Tibetan Plateau region,**
American Meteorological Society Annual meeting, Texas, USA.

2021 **Mesoscale weather systems and their interaction in the Tibetan Plateau region,**
European Geoscience Union, Austria.

2019 **Convective precipitation cells over the Tibetan Plateau in a high-resolution regional reanalysis,**
International Conference on Regional Climate-CORDEX, China.

2019 **Spatial and temporal dynamics of convective precipitation cells on the Tibetan Plateau,**
European Meteorological Society, Denmark.

2019 **Vertical cloud structures over the Tibetan Plateau as seen by spaceborne cloud radar measurements,**
8th Third Pole Environment workshop, Sweden.

International research schools

Jan 2020 **ERCA: European Research School on Atmospheres,**
Grenoble, France.

Sep 2019 **Max Planck Research School on Earth System Modeling,**
Hamburg, Germany.

Mar 2019 **Arctic in a changing climate (ClimbEco course),**
Gothenburg, Sweden.

Oct 2018 **NEGI course on E-Science tools for Climate Research,**
Andoya, Norway.

Aug 2018 **Helsinki Summer school on Air quality in China,**
Helsinki, Finland.

Jun 2018 **ITPCAS Summer School on Climate Modeling,**
Beijing, China.

Sep 2016 **Baltic Earth Summer school on Atmosphere-Ocean climate models,**
Asko, Sweden.

Skills

Computer Python (*Advanced*), Linux and Bash scripting (*Good*), NCO/CDO (*Good*), R (*Basic*), Matlab (*Basic*)

Utilities Anaconda, Git, Jupyter Notebook, Slurm

Languages German (*Mother tongue*), English (*Fluent*), Swedish (*Fluent*), French (*Good*), Spanish (*Basic*)

Numerical Models Weather Research and Forecasting (WRF) Model, Model Prediction Across Scales (MPAS)

Research Interests

Convective storms and their impact on precipitation

Climate change effects on mesoscale atmospheric processes

Process-oriented model evaluation
